

# Calling 911, CPR, AEDs and everything in-between

Public Presentation

Christian Clavelle (President)  
Canadian First-Aid Training Ltd.

**February 7, 2012**

**Good Samaritan  
Protection Act**

9:00 - 10:00 a.m.

**Manitoba Passes  
First AED  
Access Law**

Union Centre  
Room 103  
275 Broadway

This presentation will discuss some of the basics to getting involved in emergency medical situations.

- When to call 911
- How to begin doing CPR (adults, children, infants) and
- What an Automated External Defibrillator (AED) is and how it works

The presentation will take place in a question and answer format. All are welcome.
